Sorry to miss you. Jeff and I spoke for about 40 minutes. He is going to send some track change edits. Why don't you work off his and then back to me. I would like to get this in the hands of both team before our meeting. I have to run out for a 4:30 appointment but can catch up early evening. Have a long day tomorrow but if you and Jeff are available at 3pm / 5pm tomorrow we can try again.
